INTERNAL MEMO

Our Ref. Nº : **TSC/D(TPM)/MEMOS/CDS/40/VOL.III/74**

Date : **16TH OCTOBER, 2026**

TO : **ALL REGIONAL DIRECTORS**
: **ALL COUNTY DIRECTORS**

RE: RETOOLING OF SENIOR SCHOOL TEACHERS IN MEDIA TECHNOLOGY, FILM & THEATRE IN COMPETENCY-BASED EDUCATION (CBE)

The Teachers Service Commission (TSC) has planned the **retooling/training programme for Senior School Teachers in Media Technology, Film and Theatre** to strengthen the implementation of the Competency-Based Education (CBE) curriculum under the Sports and Creative Arts Pathway.

The programme is designed to equip Senior School Teachers with the technical competencies, pedagogical knowledge, and practical skills needed to deliver the Media Technology, Film and Theatre Competency-Based curriculum, enhance teachers' capacity to apply learner-centred instructional approaches, and integrate emerging media technologies into the learning process. The training therefore will be theoretical and hands on to ensure participants acquire the requisite competencies.

The Participants will be drawn from schools delivering Media Technology, Film & Theatre at senior school level (Grades 10, 11, and 12). All nominees must be confirmed through the official TSC nomination process. Participants are expected to possess digital literacy competencies, specifically: the ability to use email, access a Learning Management System (LMS), and operate a computer. The nominated teachers from cohort one counties are required to attend in-person training from **23rd November, 2026** to **12th December 2026** in identified cluster venues. Cohort two will be trained in **April 2027** in the scheduled training hubs.

Target participants:

- TSC-registered teachers and TTC tutors with a recognized teaching qualification (DSTE, B.Ed., or DTE) from an accredited institution, including both regular and Special Needs Education (SNE) streams, who are currently assigned to deliver Media Technology, Film & Theatre in the CBE curriculum.

- TSC-employed teachers and Tutors who hold an additional Certificate, Diploma, Bachelor's, or postgraduate qualification in Mass Communication, Film and Theatre,

Graphic Design, Animation, Sound Production, Audio and Video Editing, Photography and Videography or a related creative discipline from an accredited institution.

- TSC-registered teachers and Tutors currently leading or supervising related co-curricular activities (including drama, film, journalism, and media clubs) who require formal competency recognition and curriculum alignment support to transition these roles into structured CBE delivery.

Regional Delivery hubs

Table 1: Distribution of counties per hub

HUB	COUNTIES SERVED	HOST FACILITY	NO. OF COUNTIES
Nairobi	Machakos, Nyeri, Kiambu, Laikipia, Murang'a, Mombasa, Nakuru	KIMC Main Campus	7
Machakos	Nairobi, Kajiado, Kitui, Mandera, Makueni	Scott Christian University	5
Nakuru	Nyandarua, Samburu, Baringo, Narok, Kericho, Uasin Gishu	Kabarak University	6
